

Since a main focus of the **Western Wisconsin Workforce Development Board, Inc. (WDB)** is the attraction and retention of the region's workforce, the WDB began, in 2004, awarding area businesses Employer of Choice Awards. The WDB would like to continue to **identify and acknowledge models of best practices from the businesses in our region and is, therefore, asking for nominations for this award.** Recipients and their strategies will be included in the Annual Report scheduled for completion this fall. **Please consider nominating a business or your business to receive an award and the recognition they may deserve for attracting and retaining talent in western Wisconsin.** To see past winners, visit our annual reports at www.wvjobcenter.org.
